Simon Delzoppo, Adrian Kinderis and  
AusRegistry Staff,

Dear All,

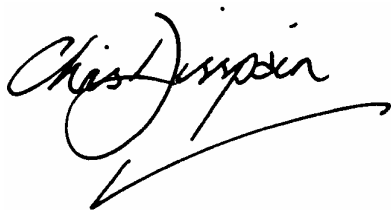

***Telstra Small Business Awards***

Sincere congratulations on being awarded the MYOB Small Business Award for Victoria. It is a well deserved recognition of the extraordinary effort each one of you has invested in building AusRegistry into a successful small business in a short period of time.

auDA's confidence that the tenacity, innovation, stability and flexibility evidenced in AusRegistry's tender bid would continue to be demonstrated by the team in the set up of the registry and it's ongoing management has been more than amply rewarded.

Well done, once again, and good luck in the National Finals.

Yours sincerely,
